17 available for legislative operations from all State funds for

22 means any expenditure for the operation of the Office of the
23 Auditor General, the House of Representatives, the Senate, the

7 amount necessary for personnel expenditures of the State
8 agency, as jointly certified by the State agency and the
9 Governor's Office of Management and Budget, for each payroll
10 period during which appropriations for personnel expenditures
11 have not been made available to the State agency for Fiscal
12 Year 2016.

13 A continuing appropriation provided by this subsection
14 (b-5) does not confer any right or expectation on any person,
15 group, or entity in continued employment or the payment of
16 personnel expenditures. This subsection (b-5) does not affect
17 the establishment of particular wages, salaries, or other
18 personnel expenditure amounts.

21 constitutional officer of the State government and any
22 agency, authority, board, commission, department, State
23 university, or other instrumentality of the State
24 government to which an appropriation for personnel

9 (3) "Applicable State fund" means, with respect to a
10 State agency, the General Revenue Fund or other State fund
11 from which moneys were appropriated in Fiscal Year 2015 to

14 available are insufficient to meet the levels required by
15 subsections (a), ~~and~~ (b), and (b-5) of this Section, this
16 Section shall constitute a continuing appropriation of all
17 amounts necessary for these purposes. The General Assembly may
18 appropriate lesser amounts by law.
